

PUBLIC PARTICIPATION SESSION

Highways & General Purposes Committee - 19th January 2022

048/22H **Public Participation:** The Public Participation session opened at 7.32pm. One member of the public joined the meeting. The following matter was discussed:

Mr Peter Dickinson wished to advise Members of dangerous and illegal parking in Park Road on single yellow lines. This causes drivers to be on the wrong side of the road when exiting onto the main road giving potential to accidents. Mr Dickinson asked that double yellow lines be painted onto Park Road to stop this issue.

The Chairman advised that this matter does not fall under the jurisdiction of Denmead Parish Council, as it is the remit of Hampshire Highways. **It was UNANIMOUSLY RESOLVED that the Deputy Operations Manager would contact Hampshire Highways.**
