

PUBLIC PARTICIPATION SESSION

Highways & General Purposes Committee – 6th July 2022

024/23H **Public Participation:** The Public Participation session opened at 7.32pm.
One member of the public joined the meeting. The following matter was discussed:

One member of the public wished to speak about the proposed Forest Road speeding measures, as one of the proposed measures is planned for outside his house. The house is at a 20-degree angle to the road, therefore cars queuing at the road narrowing measure may result in increased fumes going into the house.

The Chairman advised that the proposed speeding measures are in the design stage at the moment.

It was agreed to contact Hampshire County Council with the above concern, and to establish the exact location of the proposed speeding measures. The Committee Clerk will keep the member of the public informed of the outcome of this concern.

Action:
CC2

The Chairman closed the Public Participation session at 7.39pm.
